

Saheb

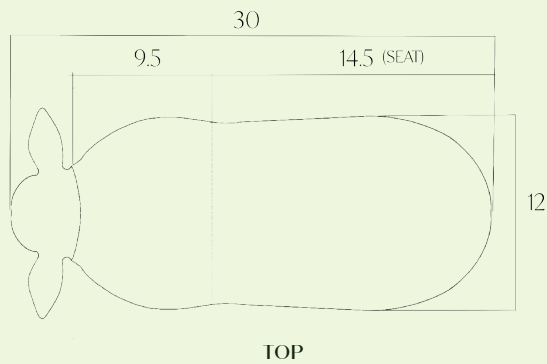

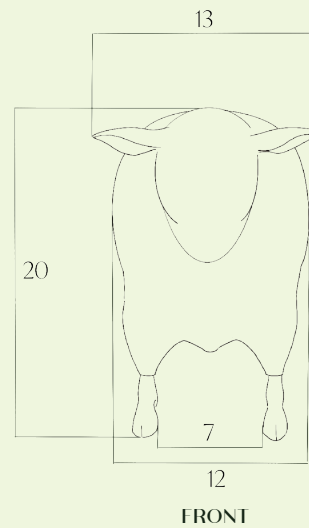

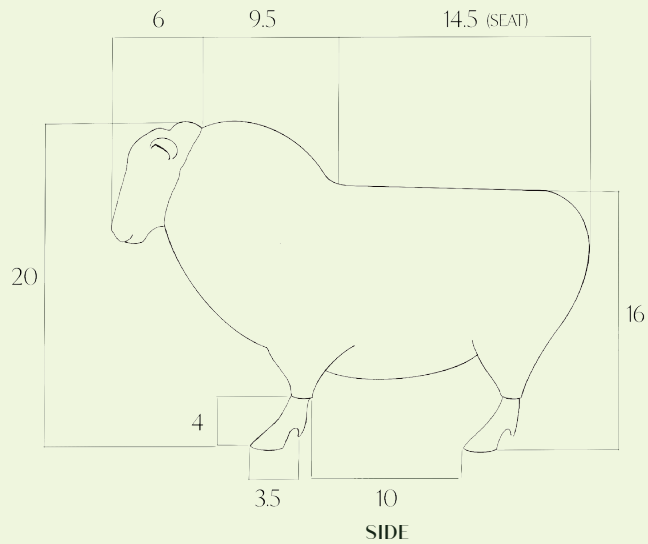

A carefully crafted ottoman,

Saheb is a story of the simple crafts that were borrowed from diverse cultures and sustained in the lanes of Mumbai. Born in the bustling streets of Kamathipura, the piece is hand-cast in brass, revealing dark, charred veins that narrate the rich history and unique properties of the soft metal. The ottoman comes together in a dramatic weave of wicker, crafted to define the sculptural curves of the body.

Saheb breathes the story of a collaborative effort, harmoniously merging traditional craftsmanship and contemporary design to create a timeless narrative of perseverance and artistry intrinsic to India.
